

CALIFORNIA DEPARTMENT OF FISH AND GAME

FISH AND WILDLIFE SCIENTIFIC AIDE

Location: Primarily Camp Roberts (near Paso Robles) April - December. Travel as needed in San Luis Obispo, and Monterey counties.

Term of Appointment: April 25, 2006– April 30, 2007

Salary: \$10.82 per hour, 40 hours maximum per week

Duties: The successful applicant will work under supervision of Department of Fish and Game (DFG) employees. Primary duties (April – December) include selling Camp Roberts hunting and fishing permits; identifying big game, upland game, and fish species; and collecting biological data from game brought to the Check Station by hunters and anglers. The applicant will enter data into a computer using word processing and spreadsheet programs. Duties also may include such activities as fence construction, assisting with fish electro-shocking, and fish or wildlife surveys as well as general maintenance and habitat work. Job may require travel within San Luis Obispo, and Monterey counties to assist with various wildlife and fisheries work needs. Per diem will be paid if overnight is needed. Current DFG Scientific Aides are also welcome to apply.

Requirements: Completion of 2 years of college with a minimum of 10 semester hours in biological sciences. Familiarity with fish and wildlife management principles, species identification, computer and/or maintenance skills a plus.

Possession of a valid California driver's license.

Applicant will be required to work outdoors in various weather conditions. Daily work hours will vary depending on the assignment. The Camp Roberts fishing season could require 15-hour days for many weekends between April and October. Applicant will work weekends, holidays and weekdays as necessary.

The applicant will be required to wear a uniform consisting of a khaki shirt with DFG patches on the shoulder, and loden green trousers. Applicant should have a cheerful personality and a helpful and courteous attitude. MUST be able to deal effectively and courteously with the general public under sometimes trying conditions. The applicant will be required to accurately handle and account for large amounts of cash and accountable permits. To find out more about the Camp Roberts Hunting and Fishing program visit our website at: www.calguard.ca.gov/cprbts click on the "Hunting and Fishing" button.
